Thank you. I will run this by Les Cartier and confirm that it accurately reflects the game plan. I believe that it does but just want to be sure that he is fully on board with the various elements.

Subject: Letter Regarding Work at 195 McGregor Street

Dear Mr. Pinard,

Attached please find a letter that outlines the steps Brady Sullivan agreed to take in order to remedy the lead dust contamination at 195 McGregor Street.

Sincerely,

Andrea Simpson
Senior Enforcement Counsel
U.S. EPA, Region 1
